People are often unreasonable, illogical and self-centered;Forgive them anyway. If you are kind, people may accuse you of selfish, ulterior motives; Be kind anyway.

If you are successful you will win some false friends and some true enemies; Succeed anyway. If you are honest and frank, people may cheat you; Be honest and frank anyway.
What you spend years building, someone could destroy overnight; Build it anyway.
If you find serenity and happiness, they may be jealous; Be happy anyway.
The good you do today, people will often forget tomorrow; Do good anyway.
Give the world your best, and it may never be enough; Give the world your best anyway.
You see, in the final analysis, it is between you and God; It was never between you and them anyway.
